PROJECTS

● PORTFOLIO WEBSITE

HTML | SCSS | BOOTSTRAP | JQUERY

I created and hosted my personal portfolio website at colesamdevelopment.com. The website features each of these projects plus more information about me. The source files for the site can be found under my github account (see below).

● UST CHESS CLUB LOGO

ADOBE ILLUSTRATOR

I designed a logo for the University of St. Thomas chess club. This logo was reviewed multiple times by the president of the chess club until it met the design requirements.

● WORDPRESS THEME MIGRATION WIREFRAMES

ADOBE ILLUSTRATOR

During my time at UST Web Services I was on a project to migrate our news site to a different Wordpress theme. My primary responsibility was to create wireframes for the new newsroom site.
